Combustible Cladding – What, How, Where Information Session (Tue, 4 August 2020)

<https://www.eventbrite.com.au/e/combustible-cladding-what-how-where-information-session-tickets-114494867230?aff=erelexpmlt>

Craig Hopcraft of Fire Cladding Solutions will Provide Practical Advice about how to Address Combustible Cladding on Apartments

With 4500 apartment buildings in Victoria identified as containing combustible cladding – this session will provide helpful advice to address what steps should be taken to not only identify if your building needs to be assessed, but then what needs to happen as part of the removal and remediation process.

Cladding Flammability, Sampling and Analysis – CLADDINGTEST LABS

Sampling and Testing of Aluminium Composite Panels (ACP) or cladding materials for flammability, composition, toxicity and flammability potential.

Fastest Timeframes in the Industry: CLADDINGTEST takes as little as 2-5 business days from job initiation to handing over your final report.

In an industry where the usual turnaround is 2 weeks onwards, CladdingTest’s fully-equipped in-house laboratory and operational flexibility enable us to shorten our reporting timeframes allowing you to meet your cladding risk assessment deadlines early.

Australian NATA Testing Laboratory Offers Cladding Identification and Testing Services (to determine Combustibility Risk Profile)

<http://www.excelplas.com/>

This Newsletter is brought to you by ExcelPlas Labs Australia’s Largest group of Polymer Building Materials Testing Labs.

<http://www.excelplas.com/>

Melbourne Testing Lab for Testing of Architectural Cladding Materials and Combustibility Risk

ExcelPlas now performs Positive Material Identification (PMI) and Combustibility Rating (CR) on architectural cladding such as Aluminium Composite Materials ACM, Aluminium Composite Panels ACP, Expanded Polystyrene Panels EPS, Polyisocyanurate Foam Panels PIC and others.

We have extensive experience with testing of polymers and polymeric building materials.

As a Nationally Accredited Testing Laboratory, our technicians, equipment and quality system are monitored regularly for proficiency and compliance assuring that you can count on quality results every time.
